It is a condition of your booking that you purchase adequate travel insurance as detailed in Article 5 to cover any fees you may incur if you have to cancel your trip. If Payments are not made on time in accordance with the General Terms & Conditions, we reserve the right to cancel your booking and retain all payments.

ARTICLE 3: TRIP CANCELLATION POLICY

Cancellation by You

If you wish to cancel your booking after we have issued a Confirmation Email to you, you must inform us in writing as soon as possible and the effective date of such cancellation shall be the date on which we receive written notification from you. All Payments that you would have previously made shall not be refundable.

Cancellation by Us

We may need to cancel the Trip whether before or after departure, and such cancellation shall be subject to the General Terms & Conditions. Furthermore, it sometimes occurs that a Trip does not meet the minimum number of guests and must therefore be canceled.

In order for this Trip to go ahead, we need to hit the minimum number of guests as detailed in Article 1 here above.

A final decision will be made on whether this Trip will go ahead no later than the Trip Confirmation Deadline as set out in Article 1 above. By that date, should the minimum number of guests not have been reached, you will receive a cancellation email.

We recommend waiting until after the Trip Confirmation Deadline to purchase flight tickets. Should you wish to know in advance of the go-no-go decision due date if the Trip is confirmed, you may check the Trip status on our website. If the Trip status is listed as "Sold Out" or "Confirmed" it is confirmed to operate. If the Trip status is not detailed this means we have not yet reached the minimum number of guests required for the Trip to go ahead.

If we have to cancel the Trip for any reason, any flight tickets and any other travel related expenses that may have been purchased by you outside of this package e.g. transport, insurance etc. may not be able to be refunded. It is for this reason that travel insurance is a mandatory condition of your booking.
