*“When you start supporting a football club, you don’t support it because of the trophies, or a player, or history, you support it because you found yourself somewhere there; found a place where you belong.”*

We start big as we head to the Emirates Stadium for an immersive VIP tour. Dive into the history and culture of Arsenal with an expert guide, exploring behind the scenes of the immersive ground.

After, relax and enjoy drinks and traditional 'pub grub' in The Famous Cock Tavern, a popular Arsenal fan haunt.

## **DAY 2**

Start the day pounding the pavement and travel the Underground on a footy-themed tour of North London, taking in London's iconic Camden Market, before heading to Wembley to explore the home of English football on a VIP tour.

In the afternoon we discover where it all started with a masterclass by local Arsenal expert at The Gunner's pub.

Finally, enjoy a round on Eric as you rub shoulders with North London locals in fan favourite pub The Tollington Arms.

## **DAY 3**

Today's the big day! Spend the morning at your leisure, soaking up this atmospheric borough before we kick out to Stamford Bridge for the big game.

Experience game day like a local with drinks and traditional pre-match snacks at your new local.

With an atmosphere like no other, you'll be in the heart of the action at the game, marveling at the supporters banter coming from the 'red section'.

After final whistle the party continues outside, with late night drinks and celebrations at a popular North London bar.
